

## Updated Corona Debacle 2023

Below are just a few of the medical professionals speaking out and testifying against the highly profitable Psy-Op called the Corona Pandemic!

### Viper shot Injection Warning My Dear Friend,

Please do not take any more Corona injections. The mRNA toxic spike protein is meant to harm and kill. The Corona injections harm the immune system. They produce blood clots, heart attacks, brain injury, reproductive injury, turbo cancers and other auto-immune diseases.

### Here are some links to the many people who have been injured or died suddenly. Beware my friend!

1. Dr. Peter McCullough says if there is no discernable cause of death then until proven otherwise it is the vaccine!
2. Most autopsies are not testing for the damage caused by the spike protein excluding the nucleocapsid, how convenient!

Dr. William Makis documents the ongoing tragedy of injury and death (died suddenly)

**Vaccine Adverse Event Reporting System – many types of adverse events listed but likely at least 10 times under reported!**

<https://www.openvaers.com/covid-data>

**You heard in the propaganda of the main stream media that the vaccines were 95% effective correct? Sounds like you better get a shot correct? Wrong!**

**What you weren't told is that that number used is the "relative efficiency" number not the normally used "absolute efficiency" number. If you can even trust the Pfizer numbers!**

## COVID-19 Vaccine Pfizer Trial Results

The New England Journal of Medicine Pfizer Vaccine Phase 2 Trial Results  
<https://www.nejm.org/doi/full/10.1056/nejmoa2034577>

According to Pfizer trial, the risk of COVID-19 is less than 1% whether unvaccinated or vaccinated.

And the vaccine reduces it by 0.84% - less than one percentage point.

**So why do they keep saying it has 95% efficacy?**

Normally you would use the absolute efficiency calculation. The calculation result is as follows;  $162/18,325 =$  the unvaccinated risk as only a paltry 0.88 percent. The absolute vaccinated risk is  $8/18,325 =$  the vaccinated risk as a paltry 0.04 percent. **AN ABSOLUTE REDUCTION OF ONLY 0.84 PERCENT! Less than 1 percent!**

However if you want to mislead the public you use the “relative efficiency” numbers. This compares the unvaccinated and the vaccinated people who got Corona. In the Pfizer trial 162 people for the unvaccinated trial group and 8 people in the vaccinated group allegedly got Corona Then the calculation is  $8/162 = 5$  percent. Therefore the “relative effective” rate is 95% ignoring the denominator of 18,325 people. Relative efficiency is normally never used to express effectiveness; absolute efficiency is the correct number. Properly using the Absolute Efficiency number I believe this vaccine would not have passed the Emergency Use Authorization (EUA) threshold! H’mmm!

### **Corona Deception December 2022**

#### **Now to put the present Corona crisis in context and give some background**

My opening remarks are; “Why would you push or force people to risk their lives and health with a bio injection (which hijacks your own cell’s protein making

**machinery creating a toxic spike protein) when normal healthy people under the age of 70 have a 99.8+% recovery rate from Corona?**

**Why would you claim these injections are “safe, prevent serious illness, prevent transmission” when the doctors, data and personal events coming to light say otherwise?**

**Why would you actively refuse and oppress any link of deaths and injuries to the viper shots?**

**Why would you say that there is no early or preventative treatment for Corona and send people home until they are extremely ill and show up at the hospital?**

**The state of Uttar Pradesh in India, physicians such as Dr. Peter McCullough, Dr. Pierre Kory, Dr. Vladimir Zelenko, Dr. Brian Tyson have developed and used preventative and early treatment protocols to save lives and keep people out of the hospital. (Ivermectin, Monoclonal Antibodies, Budesonide, Vitamins C and D, Zinc, Azithromycin, Doxycycline, Hydroxychloroquine, etc)**

**Why would you run a disinformation campaign (I have the pamphlets) against the “unvipered” to vilify, smear and discriminate against them (this needs a separate write up)? Recent data from the UK and Israel indicate those who are vaccinated are filling the hospitals (see data below).**

**Data from Israel says that those who’ve had Corona and recovered have broad based natural immunity which is far stronger than viper shots (13 to 27 times stronger). <https://www.israelnationalnews.com/news/312637>  
<https://www.israelnationalnews.com/news/312538>**

**<https://www.theburningplatform.com/2020/11/19/top-pathologist-claims-covid-19-is-the-greatest-hoax-ever-perpetrated-on-an-unsuspecting-public/>**

-----  
**In my view, the fact that people in the Western World are being denied preventative and early treatment (hugely contributing to the incessant fear mongering) speaks to how sinister things have become. We have Socialist Medicine, Big Pharma, the FDA, the CDC, Mainstream Media, Davos Elite, the WHO, Big Tech, WEF, Climate Change zealots, etc seemingly walking lockstep towards the goal of a ungodly Utopian World Government agenda. And at the same time plundering the taxpayer credit card worldwide!**

**The Lord Jesus Christ is observing (He is present at every secret meeting) and He has a different agenda that will overturn this one but not without great tribulation! See Psalm 2 and Revelation chapters 6-19. Please ask God to show you your spiritual condition, count the cost and avail yourself of the pardon purchased in**

**your name on the Cross. Take God's exit ramp before this great tribulation begins!**

---

**For this website due to censoring by Big Tech I am going to do a brief overview of the deception at the start to where we are today. I will give some links and a list of Doctors who have spoken out honouring their oath to "do no harm". It is up to you to research the material by searching out these Doctors and listening to their presentations. I would avoid searching with "Google" as they are part of the censorship problem. I would use "Duck Duck Go" or "Start Page". I would avoid YouTube as it is heavily censored, freedom of opinion and speech are more found at Rumble, Bitchute, Odysee, Infowars and personally run websites. But a key is using your own discernment on material presented, not everything said against the Corona Narrative is valid and worth passing on. Not every unexplained death may be related to the experimental shots.**

**Another important point I would like to make is that any medical study or report published in medical journals and in public has to be really scrutinized as to it being trustworthy, who funded it, is there an agenda? Big Pharma has used its money and influence with these journals to bend the conclusions to their favour! Do you see what you are up against, very daunting times!**

**I would also say that God because of the sinfulness of the nations I believe He has allowed a strong delusion to affect the minds of a good portion of the population where they only see the "Corona Viper Shot narrative". Any counter evidence is oppressed or discounted or is even refused to be looked at. That is a form of "mass psychosis" that God has allowed. But woe unto those participating in this.**

## Corona Deception from the beginning to the present?

1. Asymptomatic people are carrying and spreading Corona- as per Dr. Michael Yeadon this is complete misinformation - asymptomatic people spreading Corona is extremely low if at all. Think about it, you are alleged to have a huge virus factory spewing out of your nose and mouth but surprise you're not even aware of it!

Dr. Michael Yeadon gives a short commentary on this issue of asymptomatic spread here. 2 minute video

<https://thehighwire.com/videos/can-a-person-with-no-symptoms-spread-covid-19/>

Alberta suspends asymptomatic testing as only 0.11% of 659,000 tests came back positive – although we do not trust the PCR test per farther down explanation

<https://rdnewsnow.com/2020/10/20/alberta-pauses-asymptomatic-testing-for-covid-19/>

China study shows only 300 positive in asymptomatic testing of 10 million - boggles the mind if you trust this study

<https://www.lifesitenews.com/news/asymptomatic-transmission-of-covid-19-didnt-occur-at-all-study-of-10-million-finds/>

2. But the asymptomatic misinformation above now leads to everybody being labelled a "bio-hazard" and healthy normal people mandated to wear an ineffective and harmful mask with social distancing.

Wait a Minute Video - To Mask or Not to Mask - 11 minutes

<https://rumble.com/v1v1mbq-wam-to-mask-or-not-to-mask.html>

Three things that really stick with me on the above video is 1. Asking completely healthy people to put on a mask! 2. Even if you were sick the virus spreads through aerosol movement not droplets! 3. Recent studies have revealed micro plastic particles entering the lungs from these masks!!

<https://swprs.org/face-masks-evidence/>

So if there is really no scientific basis for these mask mandates it has to be a number of reasons per the mask picture below.

## THE MASKS SPEAK...

3. Use of a largely unreliable PCR test which gives a high rate of false positives the more cycles you use. A cycle is an exponential multiplying of any initial genetic material found in the swab. Even Dr. Anthony Fauci said anything over 35 cycles is largely false positive, some doctors say over 30. The PCR test is not meant to determine if you are actually infectious but originally meant to be used to multiply genetic material for study in a lab. It is not capable of identifying if a person is "actually" infectious with these high cycle rates. Cycle rates used have been in the 38 to 45 times range! So you have manufactured "cases" based on high cycle rates and an excuse for lockdowns, civil liberties violated, huge fear mongering combined with denied early treatment etc. CDC USA is withdrawing use of the PCR test as at December 31, 2021

<https://www.naturalnews.com/2021-08-01-fda-covid-pcr-test-fraud.html>

4. The denial by Western democracies of preventative and early treatment, actively suppressing and opposing safe and effective ones. Anyone knows that treating an illness as early as possible is the best approach! And yet Health Authorities say, stay home, if you are almost dead come to the hospital. That is their treatment protocol? Seems to me, Big Pharma has hijacked health services and only a “viper shot” is allowed under the EUA (Emergency Use Authorization) leading to huge profits for them!

**Viper Shot Deaths and Injury Stats below are just a tip of the iceberg – select Oct/Nov 2022**

A note about connecting these adverse events to the viper shots. The term used is "suspected". The term is used because a third party investigation has not been carried out. This gives an out to fact checkers to outright deny the connection that the reporting medical person made in their making the report. How disingenuous. In VAERS (Vaccine Adverse Event Reporting System) for example it is estimated that 86% of the reports are made by qualified medical personnel who have connected the adverse event to the viper shots. The medical personnel face severe penalties if they submit a false report per Dr. Peter McCullough.

Under reporting is estimated to be anywhere from 10 to 40 times.

**World Health Organization reporting - Vigiaccess – they hide deaths in a “general disorders” category**

Search for “covid-19 vaccine” October 10, 2022

Found under “General disorders”

Total for deaths (21,633), sudden deaths (2,129), sudden cardiac death (291) brain death (179) and cardiac deaths (160). Grand total is 24,392.

**Uk Yellow Card Reporting Feb 17, 2022**

Deaths – 2,000 however UK government stats cannot be trusted at this time – more research required

Total deaths reported per Open Vaers, Eudravigilance, Vigiaccess, UK = 104,514 Under reporting is estimated to be anywhere from 10 to 40 times.

**We will conservatively use 10 times under reported therefore total vaccine deaths is about 1,040,514 people ie 1 million people!**

That’s right mostly people who were not at risk of dying of corona (ie 99.9% recovery rate) who were coerced into taking an experimental injection with threats of job loss, denied schooling, denied playing on sports teams etc. There has been continuous public lying about the injections being “safe and effective” which have proven to be completely false. See below for the harms.

Recent statistics out of the UK from January to May 2022 show a great majority of those hospitalized and passing away were the vaccinated. May 2022 was 94%. **This is contrary to their initial claims that if you got vaccinated you would stop infection and transmission in its tracks. These false claims were parroted by politicians, main stream media and health services. These false claims were used to vilify and attempt to coerce the unvaccinated.**

**Pfizer lied about the effectiveness of the experimental shots being that they used a statistic of “relative effectiveness” of 95% instead of the correct statistic of “absolute effectiveness” which was less than 1% but if all participants had been followed up and properly included in the trial its “relative effectiveness” was at best 19%. This was inadequate to receive authorization.**
