

## Corona Deception December 2021

### Now to put the present Corona crisis in context and give some background

My opening remarks are; “Why would you push or force people to risk their lives and health with a bio injection (which hijacks your own cell’s protein making machinery creating a toxic spike protein) when normal healthy people under the age of 70 have a 99.8+% recovery rate from Corona? Why would you claim these injections are “safe, approved and prevent serious illness” when the doctors, data and personal events coming to light say otherwise? Why would you actively refuse and oppress any link of deaths and injuries to the viper shots? Why would you say that there is no early or preventative treatment for Corona and send people home until they are extremely ill and show up at the hospital? The state of Uttar Pradesh in India, physicians such as Dr. Peter McCullough, Dr. Pierre Kory, Dr. Vladimir Zelenko have developed and used preventative and early treatment protocols to save lives and keep people out of the hospital. (Ivermectin, Monoclonal Antibodies, Budesonide, Vitamins C and D, Zinc, Azithromycin, Doxycycline, Hydroxychloroquine, etc) Why would you run a disinformation campaign (I have the pamphlets) against the “unvipered” to vilify, smear and discriminate against them (this needs a separate write up)? Recent data from the UK and Israel indicate those who are vaccinated are filling the hospitals (more data to come). Data from Israel says that those who’ve had Corona and recovered have broad based natural immunity which is far stronger than viper shots.

In my view, the fact that people in the Western World are being denied preventative and early treatment (hugely contributing to the incessant fear mongering) speaks to how sinister things have become. We have Socialist Medicine, Big Pharma, the FDA, the CDC, Mainstream Media, Davos Elite, the WHO, Big Tech, WEF, Climate Change zealots, etc seemingly walking lockstep towards the goal of a ungodly Utopian World Government agenda. And at the same time plundering the taxpayer credit card worldwide!

The Lord Jesus Christ is observing (He is present at every secret meeting) and He has a different agenda that will overturn this one but not without great tribulation! See Psalm 2 and Revelation chapters 6-19. Please ask God to show you your spiritual condition, count the cost and avail yourself of the pardon purchased in

**your name on the Cross. Take God's exit ramp before this great tribulation begins!**

---

**For this website due to censoring by Big Tech I am going to do a brief overview of the deception at the start to where we are today. I will give some links and a list of Doctors who have spoken out honouring their oath to "do no harm". It is up to you to research the material by searching out these Doctors and listen to their presentations. I would avoid searching with "Google" as they are part of the censorship problem. I would use "Duck Duck Go". I would avoid YouTube as it is heavily censored, freedom of opinion and speech are more found at Rumble, Bitchute, Odysee, Infowars and personally run websites. But a key is using your own discernment on material presented, not everything said against the Corona Narrative is valid and worth passing on.**

**Another important point I would like to make is that any medical study or report published in medical journals and in public has to be really scrutinized as to it being trustworthy, who funded it, is there an agenda? Big Pharma has used its money and influence to you know what! Do you see what you are up against, very daunting times!**

**I would also say that God because of the sinfulness of the nations I believe He has allowed a strong delusion to affect the minds of a good portion of the population where they only see the "Corona Viper Shot narrative". Any counter evidence is oppressed or discounted or is even refused to be looked at. That is a form of "mass psychosis" that God has allowed. But woe unto those participating in this.**

The Chart of Coercion above is drawn from the Biderman Report on communist brainwashing techniques used by the Chinese and North Koreans on captured American servicemen to make them psychological as well as physical prisoners. Dr. Alfred D. Biderman M.A. and presented his Report at the New York Academy of Medicine Nov 13, 1956. Compare right column with your experience this year.

# Nuremberg Code

1. Voluntary informed consent
2. Fruitful result for the good of the society
3. Prior experimentation on animals and prior knowledge of the problems
4. Avoidance of unnecessary physical or mental injury
5. Banning of known lethal or disable procedures
6. Degree of risks should exceed benefits
7. Proper preparation and proper facilities to prevent injury or death
8. Performance of experiments only by scientifically qualified persons
9. Participants may freely end the experimentation.
10. The experiments must stop if it proves too dangerous

## Corona Deception from the beginning to the present?

1. Asymptomatic people are carrying and spreading Corona- as per Dr. Michael Yeadon this is a complete lie- asymptomatic people spreading Corona is extremely low if at all. Think about it, you are alleged to have a huge virus factory spewing out of your nose and mouth but surprise you're not even aware of it!

<https://rdnewsnow.com/2020/10/20/alberta-pauses-asymptomatic-testing-for-covid-19/>

Alberta suspends asymptomatic testing as only 0.11% of 659,000 tests came back positive

<https://www.lifesitenews.com/news/asymptomatic-transmission-of-covid-19-didnt-occur-at-all-study-of-10-million-finds/>

**China study shows only 300 positive in asymptomatic testing of 10 million - boggles the mind if you trust this study**

**2. But the first medical lie now leads to everybody being labelled a "bio-hazard" and healthy normal people mandated to wear a ineffective and harmful mask with social distancing.**

<https://swprs.org/face-masks-evidence/>

**3. Use of a largely unreliable PCR test which gives a high rate of false positives the more cycles you use. A cycle is an exponential multiplying of any initial genetic material found in the swab. Even Dr. Fauci said anything over 35 cycles is largely false positive. It does not identify if a person is "actually" infectious with these high cycle rates. Cycle rates used have been in the 38 to 45 times! So you have manufactured "cases" based on high cycle rates and an excuse for lockdowns, civil liberties violated, huge fear mongering combined with denied early treatment etc. CDC USA is withdrawing use of the PCR test as at December 31, 2021**

<https://www.naturalnews.com/2021-08-01-fda-covid-pcr-test-fraud.html>

**4. The denial by Western democracies of preventative and early treatment, actively suppressing and opposing safe and effective ones. Anyone knows that treating an illness as early as possible is the best approach! And yet Health Authorities say, stay home, if your almost dead come to the hospital. That is their treatment protocol? Seems to me Big Pharma with their viper shots is lurking in there somewhere!**

**5. Viper shot or Bio-Injection pushed instead of early treatment with deadly and horrifying results short term and not looking good long term. Everyone receives some level of damage, immune system impairment and it's likely cumulative!**

**Dr. Byram Bridle - bio injection (mRNA carrying the spike protein) does not stay in the shoulder muscle but travels throughout the body as a toxic spike protein damaging where ever it circulates to causing strokes, heart attacks, thrombosis, clotting, reproductive organ harm, vision problems, neurological problems etc**

**Dr. Charles Hoffe - micro clotting in the lungs and cardiovascular system**

**Dr. Ryan Cole - impairment (perhaps permanent) of the natural immune system leading to all kinds of disorders re-emerging, increased cancers etc**

**Dr. Robert Malone - inventor of the mRNA delivery system for the bio injections testifies that these injections are dangerous and should be stopped**

**Dr. Peter McCullough - highly rank pulmonary doctor who developed early treatment - points out the dangers of these injections**

**Dr. Sucharit Bhakdi/ Dr. Arne Burkhardt - autopsies show that 14 of the 15 examined died of killer T-cell lymphocytes attacking the heart and organs where the spike proteins had lodged. Coroners initial report did not identify this as cause of death!**

**Viper Shot Deaths and Injury Stats below are just a tip of the iceberg**

There are a number of medical reporting systems for reporting adverse events related to the Viper Shots

Eudra Vigilance for the EU

<https://covid-crime.org/eu-adverseeffects/>

VAERS for the USA

WHO Vigiaccess

UK Yellow Card

As at December 2021 they have reported over 60,000 deaths.

With a very conservative under reporting factor of 5x, you are looking at 300,000 deaths. Add in the viper shot injuries reported and it is a horrifying picture.
