Update Corona Debacle 2024

USA House of Representatives Subcomittee Releases Coronavirus Report dated December 4, 2024. It calls the Coronavirus a gain of function virus released maliciously from the Wuhan Labs to harm the nations!

After a 2-year investigation, a House of Representatives committee investigating the Coronavirus pandemic has released a wide-ranging final report dated December 4, 2024 criticizing the actions of several U.S. science agencies and concluding that SARS-CoV-2 did not originate naturally, as many scientists think, but likely leaked from a lab in Wuhan, China.

Looking at the big picture I think it was an illegal gain of function virus purposefully released as a bio weapon attack on the world. The intent was to mass vaccinate the world and weaken the nations!

What spirit do you think would be behind such an evil design?

See the link below for the full report!

History of Coronavirus Patents and their illegal Gain of Function work to get the SARS2 virus and unleash upon the Public!

by Dr. David Martin

Dr. David Martin presentation May 3, 2023 to the EU Commission (21 min) on the history of Coronavirus isolated in 1965, the patents filed in 2002, 2003, the gain of function work and the intentional release of a created in lab SARS2 virus upon the public! Pfizer filed their first spike protein Coronavirus vaccine patent in 1990! From 1990 to 2018 Pfizer found out that their vaccines did not work due to the Coronavirus mutating too fast! Not too mention the toxic nature of the spike protein injection!

Alberta Corona Pandemic Response Report dated January 28, 2025 calls for stopping Mrna shots

Rebel News video 12 minutes. The lie of a "Safe and Effective" vaccine (read bio-weapon or genetic injection) was overturned by this Alberta Gov't Corona Response Report dated January 28, 2025. Better grab a copy of the report at the link below in case it disappears. Really a worldwide pandemic of lies at every turn! Big Pharma and friends deceiving people for the "love of money", but no love for you! Pfizer tried to hide the results of their 3 month trial for 75 years! But a USA judge ruled that they must release the results. And lo and behold a whopping 1,223 deaths in Pfizer's 3 month test trial and yet they still wanted to inject you and your kids!

People in Alberta are still being denied "early treatment" with no access to Ivermectin, Hydroxychloroquine, Azithromycin (anti-biotic) , Budesonide (steroidal inhaler) etc. These are early treatment protocols developed by one of the heroes of the pandemic Dr. Peter McCullough!

The Lavigne Show (October 2024 - video 22 minutes) hosts Dr. Peter McCullough, Dr. Chris Shoemaker, Dr. Mark Trozzi, Dr. William Makis and Dr. Regina Watteel on the death and injury from the Corona viper shots! Danielle (Denial) Smith is sitting on her hands when the greatest medical crime in history has occurred and is ongoing. The perpetrators of this crime are still working at Health Services across Canada gaslighting the population! (video correction - was stated that Danielle Smith took 2 viper shots but she only had 1 viper shot Johnson and Johnson)

Updated Corona Debacle 2023

Below are just a few of the medical professionals speaking out and testifying against the highly profitable Psy-Op called the Corona Pandemic!

Viper shot Injection Warning My Dear Friend,

Please do not take any more Corona injections. The mRna toxic spike protein is meant to harm and kill. The Corona injections harm the immune system. They produce blood clots, heart attacks, brain injury, reproductive injury, turbo cancers and other auto –immune diseases.

Here are some links to the many people who have been injured or died suddenly. Beware my friend!

1. **Dr. Peter McCullough says if there is no discernable cause of death then until proven otherwise it is the vaccine!**
2. **Most autopsies are not testing for the damage caused by the spike protein excluding the nucleocapsid, how convenient!**

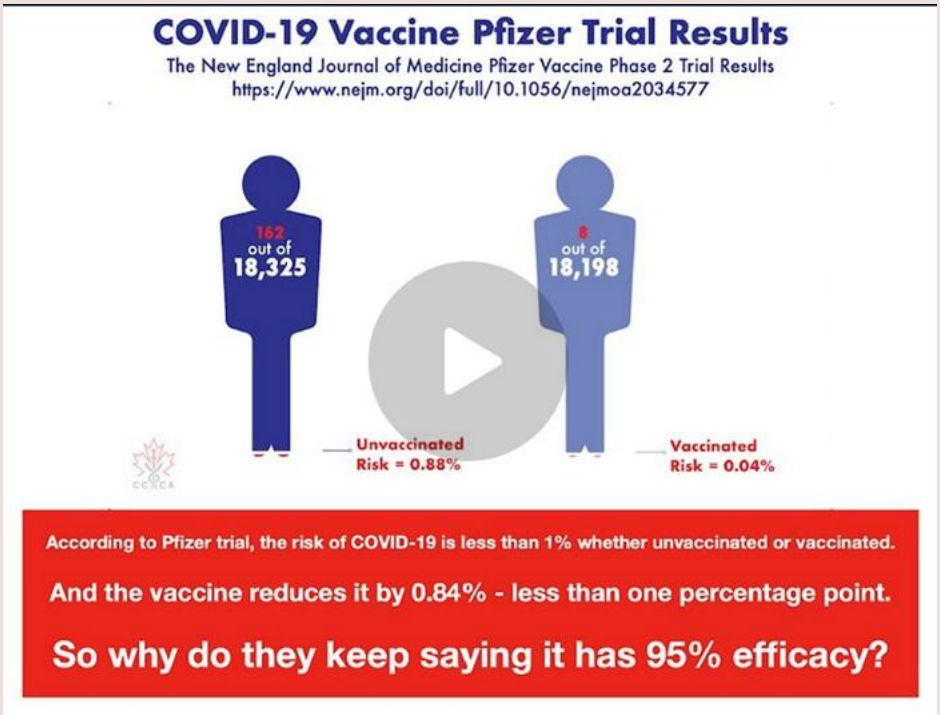
You heard in the propaganda of the main stream media that the vaccines were 95% effective correct? Sounds like you better get a shot correct? Wrong!

What you weren't told is that that number used is the "relative efficiency" number not the normally used "absolute efficiency" number. If you can even trust the Pfizer numbers!



Normally you would use the absolute efficiency calculation. The calculation result is as follows; 162/18,325 = the unvaccinated risk as only a paltry 0.88 percent. The absolute vaccinated risk is 8/18,325 = the vaccinated risk as a paltry 0.04 percent. AN ABSOLUTE REDUCTION OF ONLY 0.84 PERCENT! Less than 1 percent!

However if you want to mislead the public you use the "relative efficiency"numbers. This compares the unvaccinated and the vaccinated people who got Corona. In the Pfizer trial 162 people for the unvaccinated trial group and 8 people in the vaccinated group allegedly got Corona Then the calculation is 8/162 = 5 percent. Therefore the "relative effective" rate is 95% ignoring the denominator of 18,325 people. Relative efficiency is normally never used to express effectiveness; absolute efficiency is the correct number. Properly using the Absolute Efficiency number I believe this vaccine would not have passed the Emergency Use Authorization (EUA) threshold! H'mmm!

Corona Deception December 2022

Now to put the present Corona crisis in context and give some background

My opening remarks are; "Why would you push or force people to risk their lives and health with a bio injection (which hijacks your own cell's protein making machinery creating a toxic spike protein) when normal healthy people under the age of 70 have a 99.8+% recovery rate from Corona?

Why would you claim these injections are "safe, prevent serious illness, prevent transmission" when the doctors, data and personal events coming to light say otherwise?

Why would you actively refuse and oppress any link of deaths and injuries to the viper shots?

Why would you say that there is no early or preventative treatment for Corona and send people home until they are extremely ill and show up at the hospital?

The state of Uttar Pradesh in India, physicians such as Dr. Peter McCullough, Dr. Pierre Kory, Dr. Vladimir Zelenko, Dr. Brian Tyson have developed and used preventative and early treatment protocols to save lives and keep people out of the hospital. (Ivermectin, Monoclonal Antibodies, Budesonide, Vitamins C and D, Zinc, Azithromycin, Doxycycline, Hydroxychloroquine, etc)

Why would you run a disinformation campaign (I have the pamphlets) against the "unvipered" to vilify, smear and discriminate against them (this needs a separate write up)? Recent data from the UK and Israel indicate those who are vaccinated are filling the hospitals (see data below).

Data from Israel says that those who've had Corona and recovered have broad based natural immunity which is far stronger then viper shots (13 to 27 times stronger). https://www.israelnationalnews.com/news/312637
https://www.israelnationalnews.com/news/312538

https://www.theburningplatform.com/2020/11/19/top-pathologist-claims-covid-19-is-the-greatest-hoax-ever-perpetrated-on-an-unsuspecting-public/

In my view, the fact that people in the Western World are being denied preventative and early treatment (hugely contributing to the incessant fear mongering) speaks to how sinister things have become. We have Socialist Medicine, Big Pharma, the FDA, the CDC, Mainstream Media, Davos Elite, the WHO, Big Tech, WEF, Climate Change zealots, etc seemingly walking lockstep towards the goal of a ungodly Utopian World Government agenda. And at the same time plundering the taxpayer credit card worldwide!

The Lord Jesus Christ is observing (He is present at every secret meeting) and He has a different agenda that will overturn this one but not without great tribulation!

See Psalm 2 and Revelation chapters 6-19. Please ask God to show you your spiritual condition, count the cost and avail yourself of the pardon purchased in your name on the Cross. Take God's exit ramp before this great tribulation begins!

For this website due to censoring by Big Tech I am going to do a brief overview of the deception at the start to where we are today. I will give some links and a list of Doctors who have spoken out honouring their oath to "do no harm". It is up to you to research the material by searching out these Doctors and listening to their presentations. I would avoid searching with "Google" as they are part of the censorship problem. I would use "Duck Duck Go" or "Start Page". I would avoid YouTube as it is heavily censored, freedom of opinion and speech are more found at Rumble, Bitchute, Odysee, Infowars and personally run websites. But a key is using your own discernment on material presented, not everything said against the Corona Narrative is valid and worth passing on. Not every unexplained death may be related to the experimental shots.

Another important point I would like to make is that any medical study or report published in medical journals and in public has to be really scrutinized as to it being trustworthy, who funded it, is there an agenda? Big Pharma has used its money and influence with these journals to bend the conclusions to their favour! Do you see what you are up against, very daunting times!

I would also say that God because of the sinfulness of the nations I believe He has allowed a strong delusion to affect the minds of a good portion of the population where they only see the "Corona Viper Shot narrative". Any counter evidence is oppressed or discounted or is even refused to be looked at. That is a form of "mass psychosis" that God has allowed. But woe unto those participating in this.

Guess who's living through the biggest psychological operation in the history of mankind?

"COMMUNIST COERCIVE METHODS FOR ELICITING INDIVIDUAL COMPLIANCE".*
The Biderman Report of 1956 and COVID-19

Chart of Coercion	COVID-19
Isolation • Deprives individual of social support of his ability to resist • Makes individual dependent upon the captor • Individual develops an intense concern with self.	***Isolation*** • Social distancing • Isolation from loved ones, massive job loss • Solitary confinement semi-isolation • Quarantines, containment camps
Monopolization of Perception • Fixes all attention upon immediate predicament; • Frustrates all actions not consistent with compliance • Eliminates stimuli competing with those controlled by the captor	***Monopolization of perception*** • Restrict movement • Create monotony, boredom • Prevent gathering, meetings, concerts, sports • Dominate all media the 24/7, censor information
Induced Debility and Exhaustion • Weakens mental and physical ability to resist • People …become worn out by tension and fear	***Induced debility*** • Forced to stay at home, all media is negative • not permitted to exercise or socialize
Threats • Cultivates anxiety and despair • Gives demands and consequences for non compliance	***Threats and Intimidation*** • Threaten to close business, levy fines • Predict extension of quarantine, force vaccines • Create containment camps
Occasional Indulgences • Provides motivation for compliance • Hinders adjustment to deprivation. • Creates hope for change, reduces resistance • This keeps people unsure of what is happening.	***Occasional Indulgences*** • Allow reopening of some stores, services • Let restaurants open but only at a certain capacity • Increase more people allowed to gather • Follow concessions with tougher rules
Demonstrate Omnipotence • Demonstrates futility of resistance • Shows who is in charge • Provides positive motivation for compliance	***Demonstrate Ominpotence*** • Shut down entire economies across the world • Create money out of nowhere, force dependency • Develop *total* surveillance with nanochips and 5G
Degradation • Makes resistance seem worse than compliance • Creates feelings of helplessness. • Creates fear of freedom, dependence upon captors	***Humiliation or Degradation techniques*** • Shame people who refuse masks, don't distance • Make people stand on circles and between lines • Make people stand outside and wait in queues • Sanitation stations in every shop
Enforcing trivial demands • Develops habit of compliance • Demands made are illogical and contradictory • Rules on compliance may change • Reinforces who is in control	***Enforcing trivial demands*** • Family members must stand apart • Masks in home and even when having sex • Random limits on people allowed to be together • Sanitizers to be used over and over in a day

The Chart of Coercion above is drawn from the Biderman Report on communist brainwashing techniques used by the Chinese and North Koreans on captured American servicemen to make them psychological as well as physical prisoners. Corona Deception from the beginning to the present?

1. Asymptomatic people are carrying and spreading Corona- as per Dr. Michael Yeadon this is complete misinformation - asymptomatic people spreading Corona is extremely low if at all. Think about it, you are alleged to have a huge virus factory spewing out of your nose and mouth but surprise you're not even aware of it!

Dr. Michael Yeadon gives a short commentary on this issue of asymptomatic spread here. 2 minute video

https://thehighwire.com/videos/can-a-person-with-no-symptoms-spread-covid-19/

Alberta suspends asymptomatic testing as only 0.11% of 659,000 tests came back positive – although we do not trust the PCR test per farther down explanation

https://rdnewsnow.com/2020/10/20/alberta-pauses-asymptomatic-testing-for-covid-19/

China study shows only 300 positive in asymptomatic testing of 10 million - boggles the mind if you trust this study

https://www.lifesitenews.com/news/asymptomatic-transmission-of-covid-19-didnt-occur-at-all-study-of-10-million-finds/

2. But the asymptomatic misinformation above now leads to everybody being labelled a "bio-hazard" and healthy normal people mandated to wear an ineffective and harmful mask with social distancing.

Wait a Minute Video - To Mask or Not to Mask - 11 minutes

https://rumble.com/v1v1mbq-wam-to-mask-or-not-to-mask.html

Three things that really stick with me on the above video is 1. Asking completely healthy people to put on a mask! 2. Even if you were sick the virus spreads through aerosol movement not droplets! 3. Recent studies have revealed micro plastic particles entering the lungs from these masks!!

https://swprs.org/face-masks-evidence/

So if there is really no scientific basis for these mask mandates it has to be a number of reasons per the mask picture below.

3. Use of a largely unreliable PCR test which gives a high rate of false positives the more cycles you use. A cycle is an exponential multiplying of any initial genetic material found in the swab. Even Dr. Anthony Fauci said anything over 35 cycles is largely false positive, some doctors say over 30. The PCR test is not meant to determine if you are actually infectious but originally meant to be used to multiply genetic material for study in a lab. It is not capable of identifying if a person is "actually" infectious with these high cycle rates. Cycle rates used have been in the 38 to 45 times range! So you have manufactured "cases" based on high cycle rates and an excuse for lockdowns, civil liberties violated, huge fear mongering combined with denied early treatment etc. CDC USA is withdrawing use of the PCR test as at December 31, 2021

https://off-guardian.org/2020/11/20/portuguese-court-rules-pcr-tests-unreliable-quarantines-unlawful

https://www.naturalnews.com/2021-08-01-fda-covid-pcr-test-fraud.html

4. The denial by Western democracies of preventative and early treatment, actively suppressing and opposing safe and effective ones. Anyone knows that treating an illness as early as possible is the best approach! And yet Health Authorities say, stay home, if you are almost dead come to the hospital. That is their treatment protocol? Seems to me, Big Pharma has hijacked health services and only a "viper shot" is allowed under the EUA (Emergency Use Authorization) leading to huge profits for them!

The autopsy slides show the blue T-cell lymphocytes (your protective immune system) infiltrating tissue and blood vessels everywhere. They are attacking the spike protein from the viper shots resulting in the demise of the person.

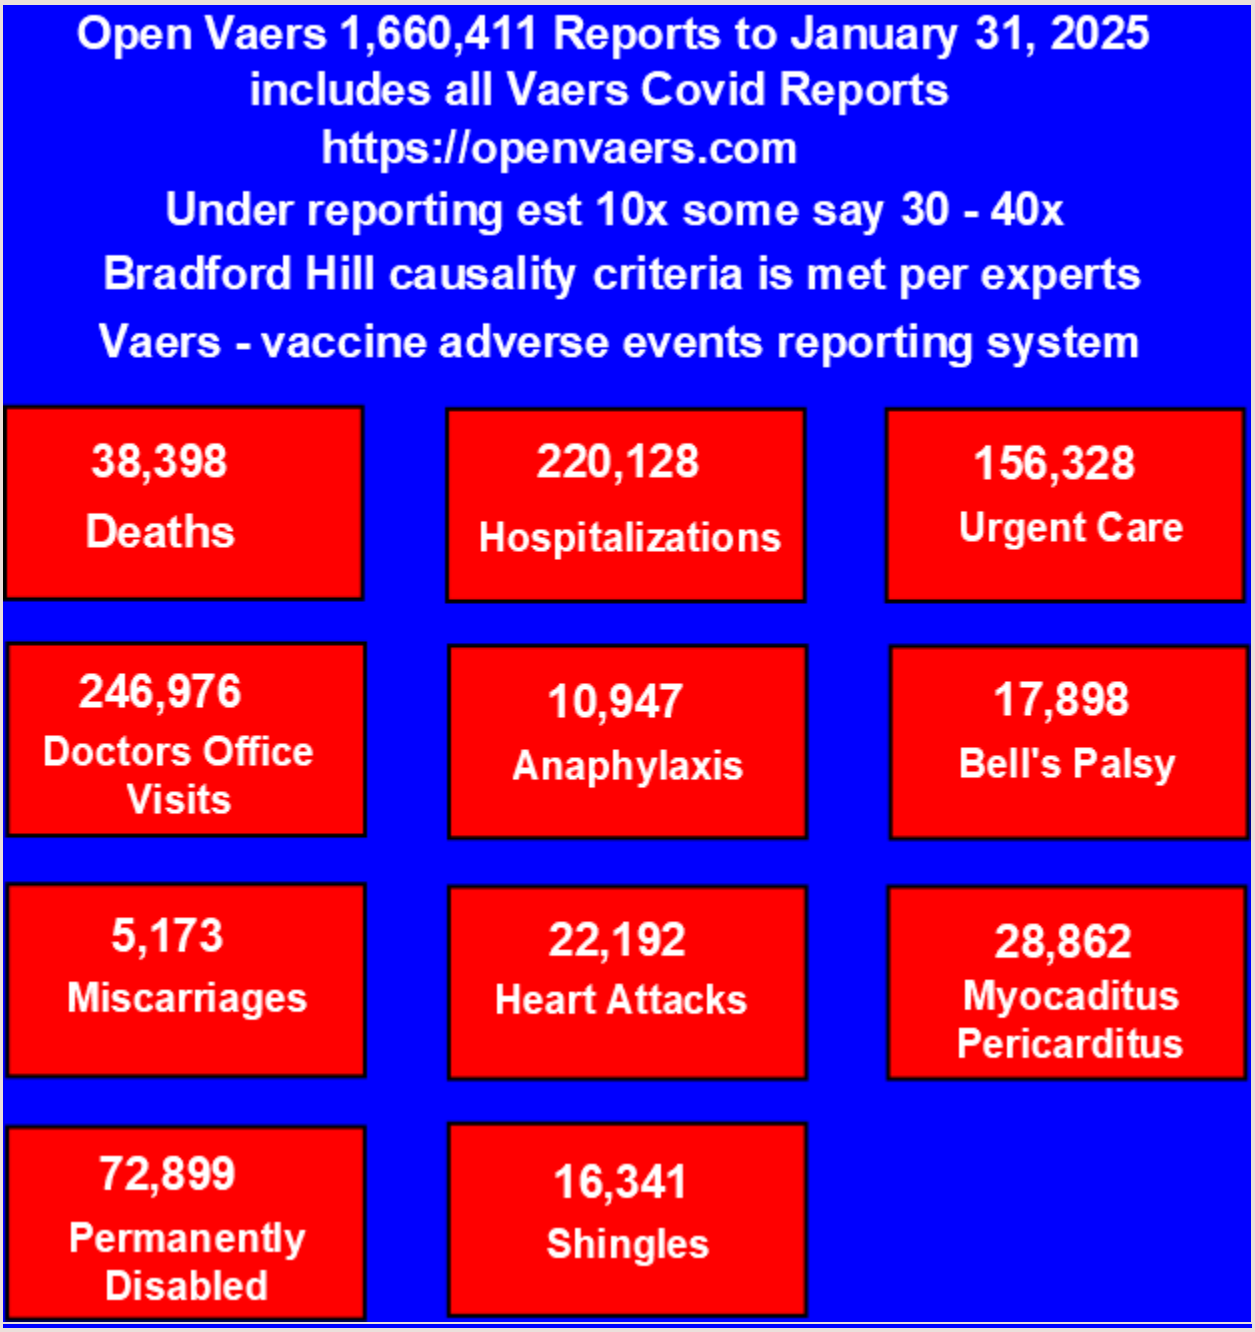
Viper Shot Deaths and Injury Stats below are just a tip of the iceberg – select Oct/Nov 2022

A note about connecting these adverse events to the viper shots. The term used is "suspected". The term is used because a third party investigation has not been carried out. This gives an out to fact checkers to outright deny the connection that the reporting medical person made in their making the report. How disingenuous. In VAERS (Vaccine Adverse Event Reporting System) for example it is estimated that 86% of the reports are made by qualified medical personnel who have connected the adverse event to the viper shots. The medical personnel face severe penalties if they submit a false report per Dr. Peter McCullough.

Under reporting is estimated to be anywhere from 10 to 40 times.

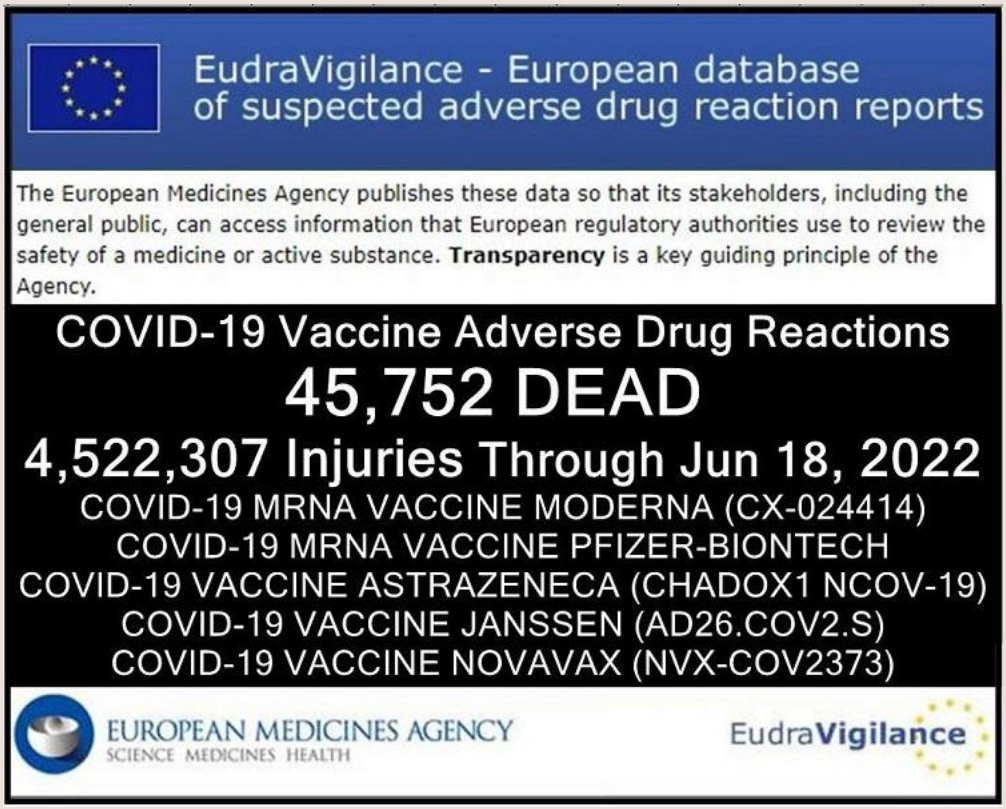
USA Open Vaers January 31, 2025 – 1.7 million adverse events

https://openvaers.com/covid-data



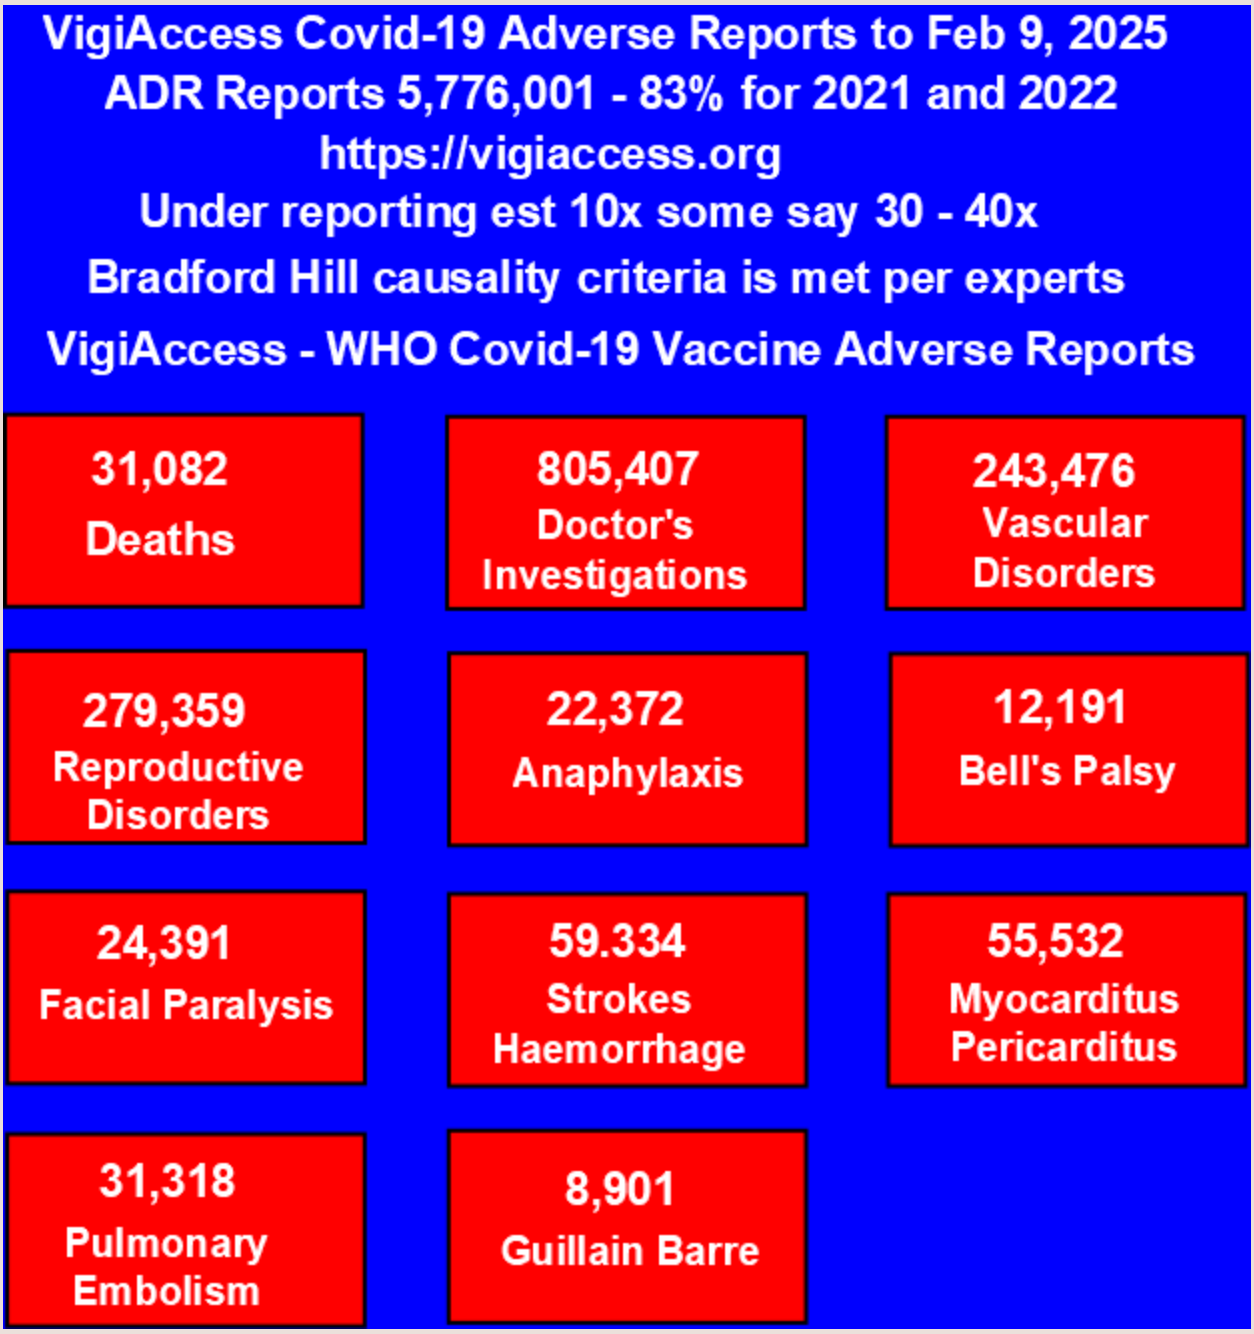
<u>European Union reporting - Eudravigilance June 18, 2022</u>

Deaths – 45,752



<u>World Health Organization reporting - Vigiaccess</u> – they hide deaths in a "general disorders" category

Search for "covid-19 vaccine" https://vigiaccess.org/



<u>Uk Yellow Card Reporting Feb 17, 2022</u>

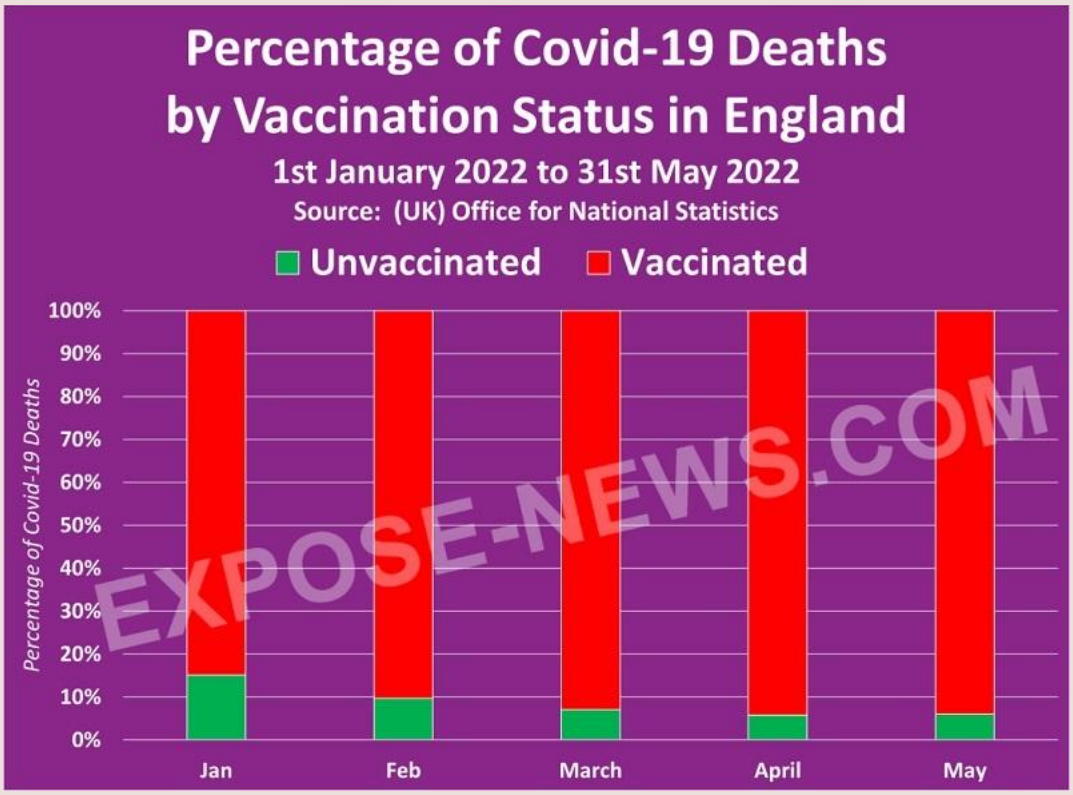
Deaths – 2,000 however UK government stats cannot be trusted at this time – more research required

Total deaths reported per Open Vaers, Eudravigilance, Vigiaccess, UK = 104,514
Under reporting is estimated to be anywhere from 10 to 40 times.

We will conservatively use 10 times under reported therefore total vaccine deaths is about <u>1,040,514</u> people ie 1 million people!

That's right mostly people who were not at risk of dying of corona (ie 99.9% recovery rate) who were coerced into taking an experimental injection with threats of job loss, denied schooling, denied playing on sports teams etc. There has been continuous public lying about the injections being "safe and effective" which have proven to be completely false. See below for the harms.

Recent statistics out of the UK from January to May 2022 show a great majority of those hospitalized and passing away were the vaccinated. May 2022 was 94%. This is contrary to their initial claims that if you got vaccinated you would stop infection and transmission in its tracks. These false claims were parroted by politicians, main stream media and health services. These false claims were used to vilify and attempt to coerce the unvaccinated.



Pfizer hid the safety warnings in their 90 day study period Dec 1, 2020 to Feb 28, 2021 where of 42,000 adverse cases reported 1,223 people died!

Table 1 below presents the main characteristics of the overall cases.

Table 1. General Overview: Selected Characteristics of All Cases Received During the Reporting Interval

a. in 46 cases reported age was <16-year-old and in 34 cases <12-year-old.

As shown in Figure 1, the System Organ Classes (SOCs) that contained the greatest number (≥2%) of events, in the overall dataset, were General disorders and administration site conditions (51,335 AEs), Nervous system disorders (25,957), Musculoskeletal and connective tissue disorders (17,283), Gastrointestinal disorders (14,096), Skin and subcutaneous tissue disorders (8,476), Respiratory, thoracic and mediastinal disorders (8,848), Infections and infestations (4,610), Injury, poisoning and procedural complications (5,590), and Investigations (3,693).

Apr-2021 09:26 (GMT)

Pfizer lied about the effectiveness of the experimental shots being that they used a statistic of "relative effectiveness" of 95% instead of the correct statistic of "absolute effectiveness" which was less than 1% but if all participants had been followed up and properly included in the trial its "relative effectiveness" was at best 19%. This was inadequate to receive authorization.
